SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK
ON LICENSE 05-050020811

REF: 2006 BLUE LANTERN GUIDEBOOK

¶1. This is an Action Request. See paragraphs 2-4.

¶2. The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Post's assistance in conducting a post-shipment end-use check on license 05-050020811 for the export of a Communication/Navigation Test Set to South Korea. Post is requested to complete this Blue Lantern within 45 days. Lack of response to a Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

¶3. Reason for request: To establish the bona fides of the foreign parties involved in this transaction.

¶4. Action request: Post should make inquiries to determine the bona fides of the foreign consignee and end-user as responsible recipients of United States Munitions List (USML) items. Department requests that Post conduct a site visit to the foreign consignee to assess its operations, reliability, and on-site security. If a site visit is not possible, please inform PM/DTCC case officer. The following questions provide suggested guidance:

(To Korean Air M & E Division)

- Confirm receipt of USML items that were shipped under license 05-050020811.

- How long has your company been in the business of importing and selling defense articles?

- Are you familiar with the restrictions against the unauthorized re-export or retransfer of U.S.-origin defense articles?

- What other products are sold by your company?

- Who are your regular customers and where are they located?

(To Korea Civil Aviation Safety Administration)

- Please confirm an order for the listed items on license application 05-050020811.

- How long has Korea Civil Aviation Safety Administration done business with Korean Air M & E Division, and what is its specific role in this transaction?

End action request.
